Policy

1. Recruitment of an overseas student (National Code Standard 1)

Prior to accepting an overseas student or intending overseas student for enrolment in a course, Batool International Pty Ltd ensures that the marketing and promotion of its course and education services in connection with the recruitment of overseas students or intending overseas students, including through an education agent (in accordance with Standard 4 of the National Code 2018) is not false or misleading, and is consistent with Australian Consumer Law.

Batool International Pty Ltd makes comprehensive, current and plain English information available to the overseas student or intending overseas student on indicative tuition and non-tuition fees, including advice on the potential for changes to fees over the duration of a course, and Batool International Pty Ltd cancellation and refund policy.

Batool International Pty Ltd does not provide any false or misleading information on:

- Its association with any other persons or organisations the registered provider has arrangements with for the delivery of the course in which the student intends to enrol or may apply to enrol
- Any work-based training a student is required to undertake as part of the course
- Prerequisites – including English language proficiency – for entry to the course
- Any other information relevant to the registered provider, its course or outcomes associated with that course.
- Claim to commit to secure for, or on the student or intending student's behalf, a migration outcome from undertaking any course offered by the registered provider
- Guarantee a successful education assessment outcome for the student or intending student
- Batool International Pty Ltd includes its CRICOS registered name and registration number in any written or online material that it disseminates or makes publicly available for the purposes of:

2. Formalisation of enrolment and written agreements (National Code Standards 2 and 3)

- Batool International Pty Ltd enters into a written agreement with the overseas student or intending overseas student, signed or otherwise accepted by the student, concurrently with or prior to accepting payment of tuition fees or non-tuition fees. A written agreement may take any form provided it meets the requirements of the ESOS Act and the National Code.
- In addition to all requirements in the ESOS Act, the written agreement must, in plain English:
 - List all tuition fees payable by the student for the course, the periods to which those tuition fees relate and payment options (including, if permitted under the ESOS Act, that the student may choose to pay more than 50 per cent of their tuition fees before their courses commence)
 - Provide details of any non-tuition fees the student may incur, including as a result of having their study outcomes reassessed, deferral of study, fees for late payment of tuition fees, or other circumstances in which additional fees may apply

- State that the student is responsible for keeping a copy of the written agreement as supplied by Batool International Pty Ltd , and receipts of any payments for tuition fees or non-tuition fees
- Batool International Pty Ltd includes in the written agreement the following information, which is to be consistent with the requirements of the ESOS Act, in relation to refunds of tuition fees and non-tuition fees in the case of student default and provider default:
 - Amounts that may or may not be repaid to the overseas student (including any tuition and non-tuition fees collected by education agents on behalf of Batool International Pty Ltd)
 - Processes for claiming a refund
 - The specified person(s), other than the overseas student, who can receive a refund in respect of the overseas student identified in the written agreement, consistent with the ESOS Act
 - A plain English explanation of what happens in the event of a course not being delivered, including the role of the TPS
 - A statement that ‘This written agreement, and the right to make complaints and seek appeals of decisions and action under various processes, does not affect the rights of the student to take action under the *Australian Consumer Law* if the *Australian Consumer Law* applies’.
- Batool International Pty Ltd retains records of all written agreements as well as receipts of payments made by students under the written agreement for at least two years after the person ceases to be an accepted student.

3. Provision of fee and refund information

Prospective and current students are advised of the tuition fees and non-tuition fees associated with a course on the *Letter of Offer and Student Agreement* and in the *Student Handbook*. For overseas students, fee information is always provided prior to enrolment as per the requirements of the National Code Standard 3. Fee information provided to overseas students includes:

- All relevant fee information, including fees that must be paid and payment terms.
- Details of the potential for fees to change during the student’s course as relevant.
- Refund information and conditions relating to these.
- The student’s rights as a consumer, including any cooling off period.

Refund information is outlined in the *Letter of Offer and Student Agreement* and in the *Student Handbook*.

4. Protection of fees paid in advance

Batool International Pty Ltd protects fees paid in advance by overseas students. Overseas student fee protection is ensured as follows:

- All tuition and non-tuition fees will be held in a separate bank account that can only be drawn down when the student commences. The tuition and non-tuition fees are held separately from the day-to-day operating expense accounts, so that if a refund is payable before the student commences, the refund can be made in full and in a timely way without impact on the financial operations of the business or recourse to the tuition protection system

- Batool International Pty Ltd does not require overseas students to pay more than 50 per cent of tuition fees prior to course commencement. (Students may choose to pay more than 50 per cent of their tuition fees before the course commences, if permitted under the ESOS Act.)
- Upon application, students are required to pay a **non-refundable AUD\$200 Enrolment Application Fee**.
- Upon signing and returning the *Letter of Offer and Student Agreement*, students are required to pay **50 per cent of the total tuition fees for that course**.
- The balance of tuition fees **must be paid on the date of course commencement**.
- Re-issue of Certificate of Completion (or Partial Completion) is **AUD\$100**
- Batool International Pty Ltd pays into the Tuition Protection Service (TPS) provided by the Australian Government.
- If a student uses an education agent and that agent charges their own fees to students (in addition to Batool International Pty Ltd tuition and non-tuition fees), those fees remain the responsibility of the agent. Batool International Pty Ltd is not responsible for the agent's own fees and does not protect or refund those fees under any circumstances.

If a student pays the tuition and non-tuition fees required for their enrolment (as set out in the *Letter of Offer and Student Agreement*) to an agent, Batool International Pty Ltd will not issue the student's Confirmation of Enrolment (CoE) until the agent has transferred those fees in full to Batool International Pty Ltd .

5. Inclusions in tuition and non-tuition fees

Tuition and non-tuition fees include all administration, materials and tuition fees, including required course books. Any optional course books or materials that may be recommended but are not required for completion of the course are not included in the tuition and non-tuition fees.

Batool International Pty Ltd has the following additional charges:

- Enrolment Application Fee (non-refundable): AUD\$200
- Re-issue of Certificate of Completion (or Partial Completion): AUD\$100

Details are included in the *Letter of Offer and Student Agreement* that they are required to sign prior to commencement of their course to indicate acceptance of the offer of enrolment and the terms and conditions specified.

Students can pay tuition fees in two instalments: all installments will be listed on the *Letter of Offer and Student Agreement*.

Batool International Pty Ltd does not require overseas students to pay more than 50 per cent of tuition fees prior to course commencement. (Students may choose to pay more than 50 per cent of their tuition fees before the course commences, if permitted under the ESOS Act.)

Please note: Tuition and non-tuition fees do not include Overseas Student Health Cover (OSHC) or accommodation. These are the student's responsibility.

6. Late payment and non-payment of fees

Batool International Pty Ltd may suspend or cancel a student's enrolment on the basis of the student's failure to pay an amount the student was required to pay Batool International Pty Ltd to undertake or continue the course as stated in the *Letter of Offer and Student Agreement*.

If a student is experiencing difficulty in paying their fees, they are invited to meet with the PEO to discuss alternative arrangements for payment that would allow them to continue their studies uninterrupted while not causing undue hardship to Batool International Pty Ltd. If approved, these will be recorded on the *Alternative Arrangements for Payment of Fees Form*.

Batool International Pty Ltd reserves the right to charge additional late fees:

- Less than 2 weeks (non-refundable): AUD\$100
- More than 2 weeks but less than 28 days (non-refundable): AUD\$200
- More than 2 weeks but less than 28 days (non-refundable): See below

Batool International Pty Ltd reserves the right to suspend or cancel the enrolment of students due to non-payment of fees where no alternative arrangements for payment have been made. Overseas students whose enrolment is suspended or cancelled for non-payment of fees will be reported to DET via PRISMS under student default. Students have the right to appeal this decision within 28 days in accordance with the *Complaints and Appeals Policy and Procedures*.

Refer to Batool International Pty Ltd *Deferral, Suspension and Cancellation Policy and Procedures* for detailed information related to action that may be taken (including intervention strategies) if students' fees are overdue. Note the additional considerations related to provider-initiated suspension or cancellation of an overseas student's enrolment (listed below).

7. Additional considerations related to provider-initiated suspension or cancellation of an overseas student's enrolment

Batool International Pty Ltd may suspend or cancel a student's enrolment including, but not limited to, on the basis of:

- misbehaviour by the student
- the student's failure to pay an amount the student was required to pay Batool International Pty Ltd to undertake or continue the course as stated in the written agreement
- a breach of course progress or attendance requirements by the overseas student which must occur in accordance with Standard 8 (Overseas student visa requirements) of the National Code 2018.

The suspension or cancellation of the overseas student's enrolment in these circumstances cannot take effect until the internal appeals process is completed, unless the overseas student's health or wellbeing, or the wellbeing of others, is likely to be at risk.

8. Issuance of Certificate, Statement and Record of Results

On completion of (or withdrawal from) of a course and payment of final fees, Batool International Pty Ltd will issue the student with a Certificate of Completion (or Partial Completion) within 10 working days. Batool

International Pty Ltd reserves the right to withhold the issuance of this Certificate until all tuition and non-tuition fees have been paid, except where Batool International Pty Ltd is not permitted to do so by law.

9. Refunds

Batool International Pty Ltd refund policy is included in the *Letter of Offer and Student Agreement* that students are required to sign prior to commencement of a course to indicate acceptance of the offer of enrolment and the terms and conditions specified.

The Enrolment Application Fee of \$200 paid at the time of application to Batool International Pty Ltd is NON-REFUNDABLE.

The Material Fees paid at the time of application and once a student commencement their studies at Batool International Pty Ltd is NON-REFUNDABLE.

If a student uses an education agent and that agent charges their own fees to students (in addition to Batool International Pty Ltd tuition and non-tuition fees), those fees remain the responsibility of the agent. Batool International Pty Ltd is not responsible for the agent's own fees and does not protect or refund those fees under any circumstances.

Students who wish to seek a refund or have the amount they owe on their fees reduced must apply to Batool International Pty Ltd using the *Refund Application Form*. If the student's refund is approved, the student can have it paid to the student or the student can nominate another trusted person to receive the money if they prefer. Students are asked to specify the recipient (themselves or someone else) and provide the recipient's contact and bank details on the *Refund Application Form*.

Batool International Pty Ltd will:

- Assess the student's request fairly and in accordance with the *Fees and Refunds Policy and Procedures*
- Issue the student with the decision in writing, using the *Notice of Refund Decision* letter within 10 working days of receipt of the *Refund Application Form*
- If the refund was approved, detail how the refund was calculated and issue the refund to the recipient nominated on the *Refund Application Form* within 10 working days of receipt of the *Refund Application Form*
- If the refund was not approved, explain the reason for the decision and the student's right to lodge an appeal of the decision within 20 working days of the date of the *Notice of Refund Decision* letter, in accordance with Batool International Pty Ltd *Complaints and Appeals Policy and Procedures*
- Require the student to accept the decision in writing and give the student a copy of the decision for their records
- Maintain records of the decision, the acceptance and any refunds paid to the student for at least two years after the student ceases to be an accepted student

- 80% refund where a student withdraws **29 days or more** before course commencement
- 50% refund where a student withdraws **0 – 28 days before** the course commencement.

Batool International Pty Ltd may consider written requests for refunds due to compassionate and compelling circumstances as defined in the 'Compassionate and Compelling Circumstances' section of this document, and may increase the refund amount.

B. Refund after course commencement

- A partial refund will be paid in the event of Batool International Pty Ltd default. The refund will be calculated from the day of the default as per section 7 of the ESOS Act (Calculation of Refund) Specification 2014. The student will be refunded the weekly tuition fees multiplied by the number of weeks the provider is in default
- If a student is refused a visa but has already commenced their course, non-tuition fees will not be refunded. However, tuition fees will be refunded from the day of the student default as per Section 7 of the ESOS Act (Calculation of Refund) Specification 2014. The student will be refunded the weekly tuition fees multiplied by the number of weeks the student is in default.

Batool International Pty Ltd may consider written requests for refunds due to compassionate and compelling circumstances as defined in the 'Compassionate and Compelling Circumstances' section of this document, and may increase the refund amount.

C. Other circumstances where no refund (0%) will be provided

- If a student is refused a visa and the reason for the refusal is that the student:
 - Did not start the course at the location on the agreed starting day; or
 - Withdraws from the course at that location; or
 - Did not pay the tuition and non-tuition fees due
- Batool International Pty Ltd terminates a student's enrolment because of a failure to comply with Batool International Pty Ltd policies, unsatisfactory academic progress or attendance
- If a student is in breach of their student visa conditions
- If a student has supplied incorrect, false or misleading information

Batool International Pty Ltd may consider written requests for refunds due to compassionate and compelling circumstances as defined in the 'Compassionate and Compelling Circumstances' section of this document, and may increase the refund amount.

10. Compassionate and compelling circumstances

Batool International Pty Ltd may consider written requests for refunds due to compassionate and compelling circumstances and may increase the refund amount beyond the levels provided in the 'Refunds' section of this document.

Acceptance of money appropriately refunded within the amounts detailed in the 'Refunds' section of this document does not preclude an application for compassionate and compelling circumstances and students must first apply for refunds of amounts as detailed previously unless a refund of 0% is applicable.

Applications for refunds beyond the levels detailed in the 'Refunds' section of this document will be deemed to be denied if the student does not appeal within 20 working days.

Applications for refunds beyond levels detailed in the 'Refunds' section of this document must provide details and appropriate verifiable evidence of the compassionate and compelling circumstances that support the reasons for withdrawal, namely that the circumstances:

- Are beyond the student's control; and
- Do not make their full impact on the student until on or after the course commencement; and
- Make it impracticable for the student to complete the requirements for the course during the period during which the student undertook or was to undertake the course.

Compassionate or compelling circumstances are generally those beyond the control of the student and which have an impact upon the student's course progress or wellbeing. These could include, but are not limited to:

- Serious illness or injury, where a medical certificate states that the student was unable to attend classes
- Bereavement of close family members, such as parents or grandparents (a death certificate should be provided where possible)
- Major political upheaval or natural disaster in the home country requiring emergency travel, and this has had an impact on the student's studies
- A traumatic experience that has had an impact on the student, such as involvement in or witnessing of a serious accident, or witnessing or being the victim of a serious crime (these cases should be supported by police or psychologists' reports)
- Where Batool International Pty Ltd is unable to offer a pre-requisite unit
- Where the student is unable to begin studying on the course commencement date due to delay in receiving a student visa

If a student believes that they qualify for an additional refund due to compassionate and compelling circumstances, they must submit a written request using the *Refund Application Form* and attach a written description of their compassionate and compelling circumstances and any evidence thereof.

If the compassionate and compelling circumstances have been confirmed and an additional refund is approved, Batool International Pty Ltd will refund the total amount of all tuition and any non-tuition fees received for the course less whichever is the lower amount of 5% of the total amount of the tuition and non-tuition fees or the sum of \$500, which can also be waived at the discretion of Batool International Pty Ltd .

11. Outcomes of refund decisions

Within 10 working days of receipt of a student's completed *Refund Application Form*, Batool International Pty Ltd will review the application and supporting documents, and issue the student with a *Notice of Refund Decision* that will explain:

- Whether or not the refund was approved
- If it was approved, the amount of the refund and a detailed explanation of how the refund was calculated
- If it was not approved, the reasons for the refusal and the student's right to appeal the decision in accordance with Batool International Pty Ltd Complaints and Appeals Policy and Procedures.

If the refund was approved, Batool International Pty Ltd will issue the refund or adjustment notice within 10 working days of receipt of the *Refund Application Form*.

The availability of complaints and appeals processes does not remove the right of the student to take further action under Australia's Consumer Protection Laws if they are not satisfied with the college response.
